EEW is a world-class, multipurpose exhibition rental service supplier - specialising in the conceptualisation, design and installation of award-winning stands.

EEW offers corporate and individual clients a seamless, beginning to end package on exhibition and events equipment. With the latest in exhibition and events technology, EEW strives to offer our clients continued quality with a vast experience and an understanding of specialised & special requirements within the exhibition industry.

We base our business & methods of operation on a set of undeviating core values:

- Strive to advise on, and ensure satisfaction of the goals & needs of our clients
- To encourage innovation & dedication towards our systems
- To maintain our level of integrity and service at all times

Our business includes:

- Sales & rental of exhibition stands
- Custom design of stands
- Hire of furniture & digital equipment
- Exhibition flooring

Shell Scheme Systems

Shell scheme stands are constructed using aluminium extrusions & white styrene panels.

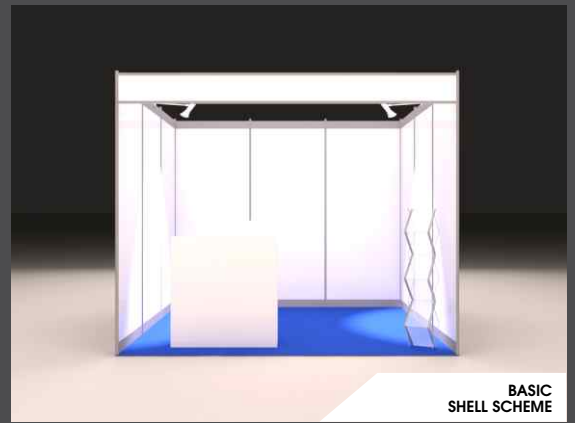

Your basic shell scheme includes stand walls, lights, fascia name board & a power socket.

We have a highly experienced team specialising in the installation and dismantling of stands, taking care of the labour intensive side of Trade Shows.

To satisfy bulk electricity needs, our staff will distribute the supply of plugs, lights & the connection of fittings.

Our shell scheme system can also function as:

- Registration booths
- Information kiosks
- Temporary partitioning / dividers
- Poster Boards

BASIC SHELL SCHEME

CURVED SHELL SCHEME

BRANDED SHELL SCHEME

INFORMATION KIOSK

Now with even more branding options!

“Twist & Lock”
It's that simple!

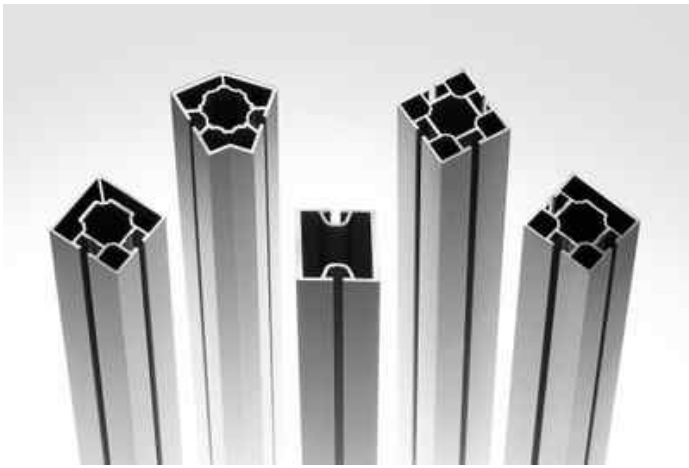

M-Cube Structure

Portable Expo Displays

- Easily installed without any tools
- Easy to transport & store
- Strong & Versatile
- Re-configureable
- Re-usable

The possibilities are endless!

Octanorm

Portable Expo Displays

A strong focus on innovation and quality. The production and processing of different aluminum profiles to create different shapes and sizes according to your stand specification.

High quality
Sturdy components
Reusable
Easy to transport

Z-line

Outdoor Exhibition

Our Z-line structure is a truss-like structure which is perfect for outdoor exhibiting. To provide shade - netting is tensioned across and on the sides.

Acrylic Products

Brochure Holders

Countertop standing holder manufactured in high-quality 2mm clear acrylic, with a standard pocket depth of 30mm.

Podiums

This podium is manufactured in high-quality clear acrylic with diamond polished crystal-clear edges. This design includes a shelf and is available in three clear material thickness options: 10mm, 15mm and 20mm. Branding is with full-colour UV digital printing during the manufacturing process. The option of using a vinyl decal is also available for short term branding, costing on request.

Size:
A6 (105 x 148mm)
A5 (148 x 210mm)
A4 (210 x 297mm)

Displays

- Fast & easy to set up
- Easy to take down
- Easy to store and ship

Roll-Up Banners

Standard : 800 x 2150mm

Quickly and easily

make an impact

with a portable display solution!

Executive : 850 x 2150mm

Banner Wall

Straight : 3000 x 2250mm
2250 x 2250mm

Pop-Up System
